

LEGIONNAIRES SPRAY

AIR CONDITIONING & HARD SURFACE SANITISER

Legionnaires spray medicated cleaner that has been awarded the certificate of:

The Institute of Chemical manufacturers and Distributors.

LEGIONNAIRES Spray is a super concentrated, free rinsing cleaner, containing a powerful, broad spectrum bactericide that is safe to use on almost all surfaces, including aluminium. LEGIONNAIRES Spray is equally effective in hot or cold, hard or soft water. It is safe to use and contains no corrosive or harsh alkaline ingredients.

LEGIONNAIRES Spray attacks bacteria and other micro-organisms reducing the risk of cross infection and keeping surfaces antiseptically clean.

LEGIONNAIRES Spray's bactericidal action is still effective when diluted with 50 parts of water.

LEGIONNAIRES Spray is effective against a broad spectrum of gram-positive and gram-negative bacteria, mould, yeast and fungi such as MRSA, C Difficile, Salmonella, E Coli, Legionnaires Lactobacillus buchneri, Streptococcus pyrogenes, Staphylococcus aureus, Bacillus cereus, Bacillus subtilis, Pseudomonas aeruginosa, Serratia marcescens, Klebsiella aerogenes, Klebsiella pneumoniae, Proteus vulgaris, Escherichia coli, Salmonella typhi, Salmonella enteritidis, Aspergillus niger, Penicillium digitatum, Rhizopus nigricans, Candida albicans and Saccharomyces cerevisiae, etc.

LEGIONNAIRES Spray is non-flammable and completely biodegradable.

DIRECTIONS FOR USE

LEGIONNAIRES Spray should be sprayed or wiped neat, directly into Air Conditioning systems ensuring full coverage. Shower heads or cubicles, should be sprayed or left to soak then rinsed thoroughly avoiding any contact with the skin and eyes.

Legionnaires Spray can also be used to soak any removable parts for up to 24hours. Flush out parts thoroughly with running water before reassembly.
