

SAFE HANDS

ALCOHOL HAND SANITIZER

- Sanitizers hands with one quick & easy application
- No water or towels required
- No waste to dispose of
- Made with alcohol – nature’s natural disinfectant
- Contains minimum of 70% alcohol (Hospital Grade)
- Contains Glycerin
- Kills 99.9% of germs in 15 seconds
- No residue or taint
- Hand soaps remove essential skin oils. ‘Safe Hands’ evaporates on the skin without removing oils and also adds moisturizer.
