

The Uniconomy PRO- SPOT Survey Marker range is a blend of high quality pigments, resins, hardeners and fast drying solvents. Dry in 30 minutes and fully cured in 24 hours. Survey Marker can be applied either by hand or as a spot marker or in conjunction with some line marker machines. In this current situation, ideal for marking social distancing spaces. Suitable for use on asphalt, concrete, wood, gravel or grass.

PRO-SPOT is available in a range of colours.

RED, YELLOW, BLUE, WHITE
