

## TIME MIST

### CONCENTRATED AIR FRESHENING PERFUME SYSTEM

TIME MIST ozone friendly aerosols contain perfumes specially selected by experts in perfumery. Adapted to give a perfect diffusion, these are the only refills to be approved by PRODIFA to ensure our two year guarantee.

Available in the following fragrances:

**TROPICAL FLOWER:** Bergamot with a hint of the forest and Eau de Cologne.

Main uses: offices, lobbies, etc.

**GREEN APPLE:** A refreshing mixture of Hyacinth and forest perfumes.

**LEMON FRESH:** Lemon scented giving a tonic freshness. Main uses: waiting rooms, confined areas, hotel rooms, etc.

**NIRVANA:** Main uses: leisure centres, sports halls, changing rooms, etc.

**FLORAL BOUQUET:** The all new fragrance. Ideal for reception areas.

**FRESH LINEN:** The natural freshness of lemon perfume.

**ODOUR NEUTRALISER:** A neutral fragrance eliminating tobacco odours and filling rooms with a sweet perfume, pleasing to the smoker and non-smoker alike.

Other fragrances include Island Mango, Vanilla Orange Burst, Cherry, Oriental Spice

**BABY POWDER:** Disinfecting hospital rooms, ambulances, waiting rooms and classrooms, leaving a pleasant bergamot fragrance.

Unless specified, orders for Time Mist will be sent as mixed fragrances in order to give the customer a variety so that any one fragrance does not become too familiar.
