

WASH & WAX

HIGHLY CONCENTRATED CAR WASH & WAX

WASH & WAX has a special built-in wax ingredient that waxes as it washes.

WASH & WAX gives vehicles a good as new look in minutes.

WASH & WAX is **ECONOMICAL** - Dilute with up to 50 parts of water.

WASH & WAX is **SAFE** - Non toxic, non flammable, non caustic, safe on all painted surfaces, vinyl, rubber, glass etc.

WASH & WAX is **EFFECTIVE** - Selective ingredients penetrate deep to remove grease, oil, sludge, traffic film, petrol stains.

WASH & WAX is **SPEEDY** - Concentrated quick cleaning action cuts vehicle down time due to washing. No leathering or buffing required.

WASH & WAX is **EASY TO USE** - Simply add a small quantity to hot or cold water. All forms of dirt are thoroughly penetrated by the solution.

WASH & WAX is completely bio-degradable and can be used in hard or soft waters.

WASH & WAX is also ideal for use in car wash systems.
