

SPRAID ORANGE

WAREHOUSE CLEANER/DEGREASER

SPRAID ORANGE

Is a completely new, water based highly concentrated, heavy duty cleaner and degreaser, specially formulated to cope with a variety of difficult cleaning problems and with specific regard to floor cleaning. It is a blend of active surface agents and inorganic salts giving a total active content of 24%.

SPRAID ORANGE

Is ideal for cleaning and degreasing of warehouse floors. In particular for removing stubborn rubber marks left when fork lift trucks turn in the warehouse.

SPRAID ORANGE

Is quick acting, having a special built-in penetrating action which removes the most stubborn grease and dirt in the minimum of time.

SPRAID ORANGE

Is ideal for removing tyre and scuff marks from sealed concrete floors and walls

SPRAID ORANGE can also be used, very effectively in floor scrubbing machines.

SPRAID ORANGE

Is completely non-flammable and biodegradable.

SPRAID ORANGE

Is very economical in use, diluting with up to 40 parts of water, depending on the degree of soiling.

SPRAID ORANGE

Is suitable for use on all hard surfaces, including concrete and tarmac surfaces, wood, asphalt, plastic, ceramic tiles, painted walls, floors, marble, terrazzo and most metals, etc.
