

## AFTERWORK CREAM INTENSIVE RE-HYDRATION CREAM.

Dealing with dry hands after a hard day's work is a common problem for many, but with Uniconomy's AFTERWORK CREAM you can hydrate and nourish your skin instantly. Simply apply this rich cream to clean, dry hands and it will work to replace any moisture your skin has lost throughout the day, leaving them soft and nourished.

AFTERWORK CREAM is an intensive skin moisturiser designed to quickly replenish moisture levels in the skin after prolonged work & environmental exposure.

AFTERWORK CREAM is suitable for regular use. Hypo-allergenic formula.

AFTERWORK CREAM is Silicone, Parabens & Fragrance free.

You don't have to wait until the end of the day to use AFTERWORK CREAM.

Used at regular intervals during the day AFTERWORK CREAM will ensure your skin remains sanitary, sheltered and nourished throughout the workday.

AFTERWORK CREAM can be used prior to using Barrier Creams but apply at least 15 minutes beforehand.
