

SCRUB MATIC

LOW FOAMING CONCENTRATED CLEANER

SCRUBMATIC is designed specifically for use in automatic scrubbing machines.

- Cleans by chemical action
- Controlled foaming
- Leaves no film
- Requires no rinsing
- Dissolves completely in water
- Will not clog scrubbing machines
- Non-toxic, non-acidic
- Non-flammable
- Completely biodegradable

SCRUBMATIC is safe to use on all resilient floors, terrazzo, concrete and marble.

SCRUBMATIC is highly concentrated - two or three ounces per gallon is sufficient for regular cleaning.

SCRUBMATIC will not cause damage to the wiring of your machine through excess suds.
