Uniconomy's Pronique is a multi-purpose cleaner, degreaser and disinfectant designed to clean and sanitise in one operation. Pronique can be diluted making it a very economical product.

Also available in a fragrance free, food-safe formula
Packaged in 4 x 5 litres

Features & Benefits

- Cleaner, degreases and sanitises in one operation.
- Safe on paintwork, metal surfaces, glass, rubber and most fabrics.
- Contains a powerful biocide will kills 99.99% of all known germs.
- Very economical...Effective at high dilution rates.
- Easily removes protein and food residues.
- Lightly perfumed to leave a pleasant, clean, germ free environment.
- Effective in hard and soft water.

Applications:

Ideal for cleaning and disinfecting soiled areas such as floors, walls, counter tops, tables, etc. Also suitable for sanitising air conditioner units, shower heads and taps. Safe to use on paintwork, metal surfaces, glass, rubber and most fabrics.

Directions for Use:

General cleaning: For heavy duty cleaning dilute up to 30 parts water to 1 part Total San in warm water. Mop or wipe surface to be cleaned. Can also be sprayed or used in a pressure washer. It is advisable to allow 10 minutes contact time to ensure all bacteria have been killed.

Odour neutralising: Apply lightly by trigger spray directly onto surface and leave to act. Do not over-soak fabrics and other porous surfaces.
