DETANGLER & SHINE
Neutralises static hair electricity instantly. Knots and dreadlocks fall out tangle-free right away, no matter how difficult. Repels dirt, dust, and sand, with a shine that lasts longer. Minimises hair loss due to pulling and breakage.

MANE & TAIL BUILDER
Mane & tail Builder helps generate hair growth for damaged or rubbed manes and tails and also to calm skin conditions. Can also be used to help promote hair growth on rubbed patches on the skin.

COAT SHINE
Specially formulated for thicker or coarser coats, Coat Shine will add a gleam and lay the coat. Contains Citronella for its beneficial antibacterial and antiseptic properties.
SOON TO BE AVAILABLE IN AEROSOL.

CONDITIONING SHAMPOO
Riders Pride conditioning shampoo has a distinctive aroma and is formulated to remove dirt, sweat, grease and dust from the coat and is suitable for routine use.

CITRONELLA SHAMPOO
Citronella Shampoo has antiseptic and antibacterial properties. Rich and concentrated with added conditioners, it leaves coats, manes and tails silky and lustrous with a fantastic shine.

MEDICATED SHAMPOO Independently Tested to BS EN 1656 & BS EN 1657
Riders Pride Medicated Shampoo is a high specification formula which is low foaming and ideal for dry, flaky ,itchy and sensitive skin. The pH neutral formula contains antibacterial agents and natural oils that helps soften & lift scabs and dandruff. Soothes & calms irritated & sensitive skin.

BUZZ ORF THE POSH REPELLENT THE REALLY WORKS
BUZZ ORF has a natural water based formula, for safe long lasting protection. A pleasant smelling, user-friendly repellent.. BUZZ ORF can give protection for several days if applied carefully.

LEATHER CARE
Riders Pride leather care is a unique thickened paste, which protects leather from mould and mildew when in storage. The conditioning properties in Rider's Pride Leather Care provide the ultimate nourishment for new or fine leather, as well as deeply conditioning dry or cracked leather and adding a brilliant shine.

COAT GLO WATERLESS SHAMPOO
One formula contains only the essential ingredients that provide convenient cleansing odour elimination and fragrance. Convenient and easy to use.
ABSOLUTELY NO WATER REQUIRED.

STABLE & YARD CLEANER Independently Tested to BS EN 1656 & BS EN 1657
Stable & Yard Cleaner can be used as a general cleaner around the stable and yard area or for more specific uses where infection control is important. Stable & Yard Cleaner contains active ingredients which helps prevent against equine infections.

EQUINE DISINFECTANT Independently Tested to BS EN 1656 & BS EN 1657
Kills bacteria, fungi & viruses. Powerful & fast acting. Safe to use on most surfaces, inhibits mould & fungal growth. Tested to EN1276, 1650, & 14476.

RUG WASH Independently Tested to BS EN 1656 & BS EN 1657
Next generation technology kills 99.999% bacteria and fungi, while being safe to use near animals. Rug Wash is an antibacterial, antiviral detergent that will kill a wide range of bacteria including MRSA, Salmonella, Ecoli & C.Diff Spores.

SHOW WHITE & SHOW BLACK
Riders Pride SHOW WHITE & SHOW BLACK can be used to cover over marks and scars as well as cover over last minute stains. In a handy aerosol Show White/Black can make all the difference.
